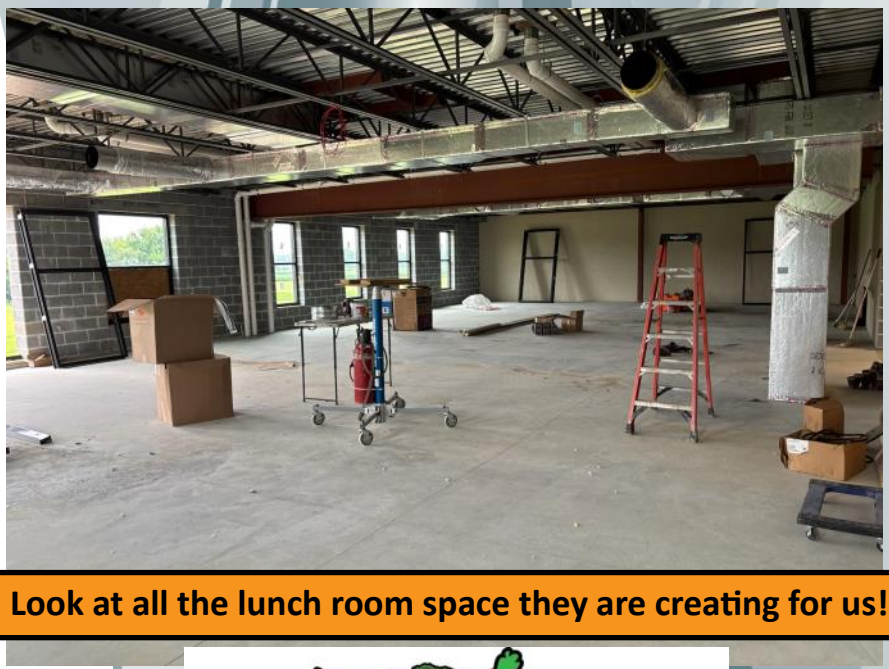
Recess & Lunch Update

We wanted to let you know about a few small changes to our daily schedule this year. Both **recess and lunch** will now be grouped as follows: **Kindergarten–2nd grade** and **3rd–5th grade**.

This adjustment allows our high school students to have access to the lunchroom during their lunch period.

Additionally, we're excited to share that **3rd graders will now be permitted to use the microwaves**. If your child plans to heat up their lunch, we'd appreciate you taking a moment to talk with them at home about using a microwave safely and responsibly.



Look at all the lunch room space they are creating for us!
